## Carrigtwohill Intermediate Hurlers through to County Quarter Finals

Pairc Uí Rinn was the venue for a great victory for the Carrigtwohill Intermediate Hurlers over Ballincollig in the Premier Intermediate Championships on Sunday June 11th.

Played in ideal conditions, Carrig always looked good after Seanie O'Farrell landed a point followed by a goal in the first two minutes.

After 20 minutes the sides were level at 1-2 to 0-5 and Carrig led at the break by two goals, 2-6 to 0-6 after Seanie O'Farrell goaled again in the 26th minute.

Robert White landed goal number three very early in the second half and great defending from the Carrig backs ensured a comfortable win on the scoreline 3-13 to 0-10.

Scorers for Carrigtwohill: Seanie O'Farrell 2-1; Jason Barrett 0-4; Niall McCarthy 0-4 (0-3 from frees); Robert White 1-0; Frank Flannery 0-2; B. Lordan and Stephen Kidney 0-1 each.

The Carrigtwohill team was:  
Michael Fitzgerald, Mark Nolan, Michael Barry, Mattie Foley, Michael O'Riordan, Noel Furlong, Noel Gubbins, Jason Barrett, Ronan Power, B. Lordan, Niall McCarthy, Frank Flannery, Stephen Kidney, Sean O'Farrell, Robert White.

**Subs:** Craig Horgan for Robert White (60 ins).

They now meet Watergrasshill in the quarter final.

## From the Editor....

Welcome to this issue of the Carrigtwohill Community Newsletter.

The Newsletter is available to all members of our community and is being produced for and being funded by Carrigtwohill Community Council.

We look forward to lots of input for future editions.

It is intended that a copy of the Newsletter will be delivered to every home in the community and any help you can offer to achieve this will be very welcome.

Please contact me at the numbers listed below or contact any community council member.

Advertising is also welcomed and indeed necessary to help finance this publication and your help will be appreciated.

This issued has been delayed for a variety of reasons and the deadline for input was revised several times.

It is intended that the next issue will go to press on Tuesday August 1st and we ask that all input be with us in good time, certainly no later than Friday July 28th.

Input by any means is appreciated but if possible please use email as it saves having to retype and ensures greater accuracy.

My thanks to all who helped get this issue out.

The email address for all communication for the newsletter is:

## GAA Gymnasium equipped with a Defibillator

Thanks to the success of the GAA Gymnasium the committee have now purchased a **Defibillator**.

Thanks to Dr Hugh Doran and Fergal Mulanney who organised and sourced it for us and for the training in its use.

Initially nominated personnel from:

The Carrigtwohill Hurling and Football Club, The Juvenile Club, The Ladies Football Club and the Gymnasium Committee will receive formal training in its use.

## Car Parking

Please be considerate when you park your car. The Residents Association of Pearse Place, Church Lane, Station Road & Cois Carraige have asked us to appeal to all who use the car park opposite the church to be vigilant when using the car park and in particular to avoid speeding which could be a danger to children and the elderly. Secondly, the residents of Pearse Place & Church Road feel that their right to privacy & access is being violated by inconsiderate parking. This is a serious matter particularly where such action could lead to the obstruction of emergency vehicles.

We appeal to all church users not to offend in this regard. We also appeal to people not to obstruct the entrance to the church for the same reasons.

# Report of Local Authority Liaison Committee to Community Council AGM

## Carrigtwohill - the new Satellite Town

The estimated population in Carrigtwohill in the year 2000 was 1,680 persons equivalent to 540 households. Since then it is estimated that approximately 1,000 new dwellings have been completed. The County Development Plan published in 2003 estimated that by the year 2011 this figure would have grown to approximately 8,140 people accommodated in 2,960 households. In 2005 Cork County Council published a Special Local Area Plan for Carrigtwohill which further increased this figure. It is an objective of the Plan to secure the development of approximately 4,340 new dwellings in Carrigtwohill from the year 2000 up to the year 2020 in order to facilitate the growth of the town's population to approximately 11,700 people.

Since 1998, the Local Authority Liaison Sub-Committee has made submissions on every public consultation document issued by Cork County Council regarding the development of Carrigtwohill including

- The 2003 draft development plan
- The published draft amendment to the 2003 Development Plan
- The draft Special Local Area Plan,
- The amended draft Special Local Area Plan

We have, at all times, made it clear to all parties that Carrigtwohill Community Council is not opposed to the development of the area. Our aim has been to persuade Cork County Council to plan for sustainable development and, in particular, to plan for and to provide for social, community and amenity facilities and also to provide the infrastructure necessary to support the new population ahead of the construction of the new houses.

Unfortunately, the drive to ensure the opening of the railway appears to have been given priority over the proper development of Carrigtwohill. There was a perceived need to ensure the granting of planning permission for over 2,000 houses without any plan for the infrastructure to support those houses. The justification for this appalling lack of proper planning was the need to persuade Ianroad Eireann that there would be a sufficient population in place to support the railway line.

The Special Local Area Plan for Carrigtwohill adopted in 2005, zones approx. 100 hectares north of the railway line for residential development. The area stretches from Terrysland near to the Hedgy Boreen. After many meetings with planners and political representatives, Cork County Council eventually agreed that no part of this land could be developed and no planning permission can be granted until a Masterplan for the entire area is first approved by Cork County Council after public consultation. Any Masterplan must provide for a substantial Sports Campus measuring approx 25 acres as well as a Primary and Secondary School campus, and a new Graveyard. We would like to express our appreciation to all the voluntary and sporting organisations in Carrigtwohill who came together and supported the request of Carrigtwohill Community Council for the provision of these facilities.

While the requirement for the Masterplan is welcome, the delivery of any Sports Campus, School or other community facility must await the completion of a Masterplan which can only be finalised with the co-operation of all of the Landowners north of the Railway. Accordingly, in the meantime, while the population continues to grow, existing facilities are coming under extreme pressure.

## AMGEN

In January 2006 Amgen Technology (Ireland) announced its intention to develop a major new manufacturing site in Ballyadam, Carrigtwohill on a site of approximately 133 acres. Amgen anticipates that it will invest more than €820,000,000 in the site which will include a capacity for process development, bulk protein production, formulation, fill and finish as well as quality testing. By 2010 Amgen expects to employ more than 1,100 people at the site.

The political wind behind the Amgen project is apparent from the speed at which the site was rezoned. In February 2006 Cork County Council published its proposal to rezone the site to facilitate the Development. Submissions were made by numerous parties including Carrigtwohill Community Council. In April 2006 the zoning proposal was adopted by Cork County Council with one significant amendment which required that, as part of the development of the site, a Traffic Impact Study would be undertaken.

In March 2006 Amgen held a public meeting in Carrigtwohill Community Centre to outline its proposals which were at a relatively infancy stage. The meeting was attended by over 120 people. On Friday the 26<sup>th</sup> of May 2006 a further well attended public meeting was held. On this date Amgen displayed more comprehensive Plans including drawings of the buildings proposed for the site. Amgen propose lodging their application for Planning Permission by the end of June 2006. The Planning Application will be accompanied by an Environmental Impact Statement which will address issues such as traffic and other infrastructure as well as environmental issues.

## New Road Infrastructure Carrigtwohill to Midleton

Cork County Council proposes a major new road infrastructure between Carrigtwohill and Midleton. It is proposed to close off all the existing access on to the dual carriageway as well as the medians facilitating access from one side of the dual carriageway to the other. On Wednesday the 31<sup>st</sup> of May RPS, the Engineers appointed by Cork County Council in connection with the road held a public display of the various options they are considering in relation to the alternative road infrastructure. The new infrastructure will include two substantial interchanges (flyovers), one near Ballyadam and one near Water Rock. Carrigtwohill Community Council would have significant concerns about traffic disruption between Carrigtwohill and Midleton while those new roads and interchanges are under construction. We are making representations to Cork County

*(Continued on page 5)*

(Continued from page 4)

Council to try to ensure the minimum disruption to residents during the proposed works.

Dermot Cashman and Matt Watkinson consider the options for the new road developments.

## Upgrading of Sewerage

A new Sewerage Scheme is proposed for Carrigtwohill. Cork County Council has indicated that the existing sewerage system is antiquated and in need of upgrading. Currently the foul and storm sewerage systems are linked and in parts are in need of repair. Cork County Council is proposing to separate the foul and storm sewers throughout the Carrigtwohill area and to lay additional sewers to accommodate the proposed new population. No definite date for undertaking these works was determined by Cork County Council. However the development of the Amgen Plant now at Ballyadam now means that these upgrading works will have to be brought forward and are likely to commence during the Autumn of 2006.

The exact route of the sewer has not been determined as yet but it is likely that the road between Cost Cutters and Fota Rock will need to be dug up during the first phase of these works and the rest of Main Street will be dealt with at a later stage.

Carrigtwohill Community Council has requested that, if it is essential that the Main Street be dug up;

- (a) that it would be done outside of school term and,
- (b) all service providers would be required to lay ducts at the same time that the sewers are being laid to avoid further disruption in the future.

## Re-Opening of the Railway

Iarnród Éireann held a public display in the Community Centre on the 27<sup>th</sup> of March. The Plan outlined included the provision of a new station on the opposite of Barrys Bridge to the old station. Iarnród Éireann has now prepared an Environmental Impact Statement and draft Railway Order (equivalent to a planning application).

These documents are on public display in the Community Centre from 26 May to 6 July. The draft order proposes the extinguishment or replacement of public and private rights, the acquisition of lands, the closure of roads among other proposals. It is advisable that anyone living near the railway line would view the public documents.

It is anticipated that the railway line will re-open in 2008.

## Carrigtwohill Community Council

### Secretary Report

**For the period  
Sept. 2005 – June 2006**

Since the 2005 AGM a total of 9 Ordinary Meetings were conducted in the Community Centre.

Mr Anthony Barry, Chairperson, and a record of committee members attending each meeting were kept. A full set of minutes was recorded at each meeting.

The efficient and detailed account of the monthly financial state for the council provided an excellent resource in terms of knowledge and planning thanks to Geraldine O'Flynn and Lorraine McCarthy.

At the outset of our new year (Sept 2005), it was quite evident that a focus being taken by the committee was to take a new approach to the appearance of our village. Much has been done and certain areas of the village have shown marked improvements thanks to the commitment of local resident associations, initiated by members of the Community Council.

Letters of invitation were sent to some local companies, seeking their support in funding our enhancement and their response to support our endeavours were very heartening while now we need patience and perseverance as we face the challenges of major road works, installation of sewerage systems etc.

A visit to the ATLANA plant was a clear indication that we are currently in a fast evolving local economy and our role is to embrace progress by advocating for the needs of people in spite of the speed and the desires, of the business world.

The Achievements Awards Night was one of the big successes of the year and a sub-committee under the direction of Eileen Stoap and Sharon Bunce.

Much communication was also received from our local T.D.'s in support of our efforts to raise the awareness for an increased Garda presence in our area.

A total of 49 letters of Sympathy were sent to bereaved parishioners in the past year and a minute of public silent reflection, marked each Council Meeting.  
May their souls rest in peace

Ann O'Driscoll and Trish O'Brien were thanked for their secretarial support during the past year and Martin Healy was complemented on his creation and on-going work on the Carrigtwohill web site.

Kathleen thanked the community for their confidence in her to take the role of Secretary for the past two years and wished her successor every fulfilment for the coming year 2006-07.

Kathleen Harte.

## Pearse Place, Cois Carrig, Church Road Residents' Association

This resident's association was only formed last November but has been exception-  
ally active.

At the initial meeting it was decided that the following were important aims:

- To make the area safer for residents especially the children
  - To address the parking and speeding problems
  - To instil a new sense of community into the residents
  - To preserve and improve our green area for everyone in Carrigtwohill to enjoy
- 
- Immediate objectives were decided on:
  - To prune and clean beneath the overgrown trees on the south side of Pearse Place
  - To get the council to follow through on their promise to resurface the carpark/ playground and Pearse Place and put up a double kerb to be planted with trees
  - To make the area safer for our children
  - To do some experiments in composting of garden waste for the residents.
  - To organise social events for the residents.

To date and in a very short time period - we have achieved quite a lot

We began work on the overgrown trees almost immediately and pruned the lower branches so that parents can now keep an eye on their children as they play and we cleaned out all the rubbish that had been dumped there over the years.

We harangued the County Council engineer to make sure that we got the area re-surfaced and then the residents themselves rolled up their sleeves to fill the new double kerb with topsoil and planted the trees which are admired by everyone. Here I have to acknowledge the help of Mary O'Mahony, environment officer on the community council, who I cornered at every cc meeting to tell her what the residents were looking for so that she could pass this on to the county engineer in person. She also gave me progress reports which I could in turn share with the residents at our own meetings.

We have written several letters to the council and spoken to the local Garda Sergeant about traffic problems and have managed to get more speed checks done and the parking situation is being observed at various times too.

The composting project has been waiting on funds to come in (just in now) and we will be starting this project over the next couple of weeks.

But the most important and exciting part of this whole great adventure has been getting to know our neighbours. We all have such busy, busy lives and are always so busily buzzing from place to place that we scarcely have time to say hello. Working together on projects got us talking and learning a little bit about each other. Meetings too give all the residents a forum to put forward their concerns and ideas or even just to tell stories about things that happened long ago.

We have also had two socials, one at Christmas and one at Easter which were both highly successful (and late!!!!)

Our next planned event is to be a barbeque on the green which we are hoping to combine with a dedication ceremony in which we will dedicate the beautiful young trees to all the people of Pearse Place who are no longer here.

Excitingly we are having our first proper elections next week to elect a full set of officers for the coming year.

Currently we are still operating with temporary officers:

Chair: Geraldine O'Flynn, Secretary: Mary Gregoriy, Treasurer, Gerard O'Connell

Many thanks to the Community Council for calling that first meeting and spurring us into action. They passed us the ball and we now have every intention of running with it.

*Mary Gregoriy – Secretary*

P.S.. There are still plenty of other exciting plans in the pipeline!

# Community Council Sub-Committees

Carrigtwohill Community Council is an association established to monitor and improve the quality of life for the residents of the Carrigtwohill Area. It is an entirely voluntary organisation and does not receive any regular public funding. The Community Council is non-political and non-sectarian. Every 4 years elections are held for representatives for different areas in Carrigtwohill. The number of elected representatives for any area is determined by the number of houses in that area. As well as elected representatives, each voluntary organisation in the Parish is entitled to nominate a representative. Finally members can be co-opted under certain circumstances.

The work of Carrigtwohill Community Council is probably best described by the names of the various sub-committees;

## Hall Committee.

This committee takes responsibility for the management and maintenance of the Community Centre. We are lucky to have a committed manager, Annette Lane as well as three dedicated FAS employees. There is a great demand for the Centre but there is considerable availability during the summer months and off peak hours. Contact 4882265 for bookings.

## Well Lane

This committee has done a tremendous job in revitalising the Well Lane and developing a badly needed public park in the middle of the town. The work did receive some grant assistance but would never have been completed without the tireless dedication of many volunteers.

There is a huge demand locally for an all weather playing facility and the committee is currently working on a plan to develop same in the Millennium Park. An application has been made for Lotto funding.

Local fundraising will also be necessary and planning permission must be obtained.

The committee members are working hard to deliver this badly needed facility.

## Environment

This committee deal with Cork County Council and service providers such as ESB, Eircom, Bus Eireann and others to endeavour to address local roads and services issues as they arise. The committee has, in the past successfully lobbied for bus shelters, public lighting and repair of roads.

## Old Graveyard

A dedicated committee under the chairmanship of John Dennehy restored the old graveyard a number of years ago. This committee now regularly maintains the graveyard which is now fully accessible, clean and is a credit to them.

A contractor is engaged to keep the grass mowed and two clean-ups were held during the past year.

Thankfully there was no vandalism during the year gone by.

The annual Church gate collection will be held over the week-end of July 22/23rd next.

Your continued support will be greatly appreciated.

## Tidy Towns

See report on page 10

## Community Care

Pat Golden is the Chairperson of the Community Care sub-committee and she presented the following report to the recent Community Council AGM

Catering for the afters of funerals continues to be the main focus of their work. They are always very pleased to be asked and they ask every family if they require the use of the hall and of they can assist with the provision of light refreshments.

During the past year it was decided to discontinue the regular visits to Midleton hospital due to the winter vomiting bug. This policy will be reviewed regularly.

Last Christmas the annual "special needs" night was again a wonderful success with over 150 special needs people and their helpers together with locals helpers enjoying a night of fun, laughter and dancing in the community hall.

Members of the Wheelchair Association, the Autistic Society, C.O.P.E., C.A.S.A., the Association for the Deaf and the Association for the Blind attended and once again pupils from the transition year of St. Aloysius helped out on the night.

Sponsorship is vital for the success of this event and Pat Golden expressed her sincere thanks to the main sponsors O'Mahony's Sand and Gravel and Fota Business Park.

Other sponsors thanked included Hurley's Super Valu, Penneys, Coca Cola, C.C. Drinks, Frank's Chipper, Guilders Bar and the Castle Lounge.

Pat also paid tribute to the support on the Community Council, particularly for the use of the hall and kitchen. Thanks also to the fifteen members of the community care group who without hesitation give of their time and energy.

Thanks to Paddy Cowman, Michael and Paddy Knowles for their continued help in putting out chairs and tables and a special thanks to Annette and Eleanor, members of the group, who always ensure that things run smoothly.

Thanks also to John Buckley and Ollie Sheehan for their continued support.

## Local Authority Liaison

See page 4

## Car Boot Sales:

Car boot sales have been a very valuable source of income for the Community Council in recent years funds generated contribute to the hall insurance and hall upkeep.

A great team of volunteers under the guidance of Margaret Long have ensured that each sale was a great success.

The support of both traders and patrons is greatly appreciated.

Sincere thanks to all the helpers who turn out on the day and a special word of thanks to Geraldine Cashman who is always willing and available to take the early shift.

Thanks also to all who travelled to the Rathcormac car boot sale to hand out flyers.

Three car boot sales have already been held this year and several more will be held before the year end.

## Carrigtwohill Area Youth Project

The Carrigtwohill Youth project was established in April 2005. The project is managed by Foróige, the National Youth Development Organisation and funded by the Society of St. Vincent De Paul. There is currently one full time youth officer employed for this project.

### The Aim of the Project

- To involve more young people in developmental activities, particularly those not involved in competitive sport.
- To enable young people to remain in and obtain optimum benefit from school and/or other education or training.
- To involve young people in safe recreation activities so as to divert them from drug and alcohol misuse.
- To enable young mothers to re-engage with education and training and to support their parental role.

### Young people should experience:

Fun      Learning by doing      Safe Socialising  
Community Involvement      Personal Growth  
Good relationships with adults

### Services provided by the project:

- Community based youth groups
- Personal Development groups
- Transition programmes
- Summer programmes
- Young adult groups
- Youth leadership programmes
- Identifying and responding to local youth issues
- Parents Groups

All this work is done in co-operation with teachers, parents, the local community, St. Vincent De Paul, Community Council, Parish Renewal group, GAA and with agencies such as the Gardai, health Service Executive and the VEC.

### Progress Through The Project/Referral Procedure

The normal entry to this project is through application by the young person or through agency referral. Participation by the young person is voluntary and with parental permission. An appropriate programme is developed between the co-ordinator and the young person to meet their agreed needs. This is a personal development approach enabling the young person to take responsibility for their actions, make good deci-

sions and plan for the future. This programme is reviewed regularly.

When the identified needs of the young person have been met sufficiently, they leave the project on a planned and supported process.

### How can you support the Project?

As an adult:

- By applying to get involved as a volunteer adult leader.
- You could become a volunteer in a particular programme or pass on a work skill or hobby to young people.
- Why not take part in parents activities.!

As a young person::

- Apply to join a group
- Suggest ideas
- Plan activities

## Foróige

Foróige is a leading national voluntary youth development organisation. It was founded in 1952 and was formerly known as Macra na Tuaithe.

The purpose of Foróige is to enable young people to involve themselves consciously and actively in their own community and in the development of the community.

Foróige supports over 420 voluntary led Foróige clubs and over 95 youth projects, services and Youth Information Centres throughout Ireland.

## St. Vincent De Paul

The Society of St. Vincent De Paul was founded in 1833 by Frederic Ozanam, a 20 year old student at the Sorbonne University in Paris and took its vision from the great French Priest, Vincent de Paul, who alerted the world to social problems in the 17th century.

The work of the society is based upon the belief that it is the personal encounter, the giving of oneself in friendship with respect to another, that is the heart of what we are about.

# Carrigtwohill Fair Day

## August 20th

## **10th Annual Carrigtwohill Summer Recreation Scheme**

This year is the 10th running of the very successful Summer Scheme and over the past years in excess of 2,300 children have benefitted from their participation in the schemes.

This year, the official opening and blessing will take place on Saturday July 1st at 8.30 pm and will feature singing and dancing displays.

The Juniors and Seniors will be catered for from the 10th to the 13th of July and over the four days they will visit Planet Blackpool, Fitzgeralds Park, Fota Wildlife Park, Fota Gardens, Leahy's Farm in Dungourney,, Little Rascals, Donkey Sanctuary, Watergrasshill Woods, The Cinema and Trabolgan Holiday Centre. They will also have an activity day locally.

The 3rd/4th/5th and 6th classes will be entertained from the 17th to the 20th of July and they will visit Mitchelstown Caves, Trabolgan, Curragh Woods for orienteering, Fermoy Park, Naval Base, Bowling Alley and Kinsale Outdoor Activity Centre. They will also experience art and drama as well as soccer and tennis.

Both groups will combine on Fridays the 14th and 21st of July for a family beach trip to Ballinamona departing the Community Hall at 1030 am.

On both Friday nights there will be a monster Fancy Dress Disco in the Community Hall.

The Teen Scheme for 1st Years will run from July 3rd to the 7th and for the 2nd years and upwards from the 24th to 28th July.

## **CD Launch Saturday June 24th Fota Golf Club at 8.30 pm Admission Free**

### **Culture Capturing Carrigtwohill 2005**

A new CD, produced by Mary Roynane-Keane to raise funds for the Resource Centre Youth Project will be officially launched at Fota Golf Club on Saturday July 24th at 8.30 pm.

The CD is a compilation of the culture and heritage of Carrigtwohill and features contributions from Ann O'Brien, Maria Kelleher, Kathleen Jeffers, Maria Sheehan, Pat McGrath, Jordan O'Leary, the Lunula Singers, Emer Doyle, Sarah O'Mahony, Fiona Walsh and Babatunde Abedipe.

Guest vocalist at the launch will be Jacinta Scully and there will also be live appearances from the contributors.

The CD will retail for €15.00 and profits will be used to fund the youth project at the resource centre.

Admission on the night is free and everybody is invited to turn up to show their support for the contributors to the CD and to experience a great nights entertainment

## **Carrigane Road Development**

In a public notice in the Examiner on May 12<sup>th</sup>, Cork County Council gave notice of improvements to be carried out on Carrigane Road. The work will extend from the junction with Main Street for a distance of 440 metres and will involve the provision of footpaths on both sides of the road with widths ranging from 1.5m to 2.0m and the carriage will be widened in parts up to 6.5m wide.

The project will also include drainage works, public lighting and other ancillary works.

Plans and particulars of the proposals will be available for inspection on Floor 5, County hall, Cork from 9.00am to 5.00pm daily and at the Cork County Council Offices in Middleton from 9.00am to 1.00pm and from 2.00pm to 5pm until Friday June 9<sup>th</sup>.

Submissions and observations with regard to the proposed development, dealing with the proper planning and sustainable development of the area should be made in writing to the Director of Services, South Cork Rural, Cork County Council, Floor 5, County Hall, Cork.

# Tidy Towns Committee

For the first time Carrigtwohill is entered for the Tidy Towns Competition in 2006. Entry to the competition will provide an opportunity to highlight the good and bad aspects of the village and the progress that the village will make throughout the competition and to also outline future opportunities and make plans for their implementation.

The village will be adjudicated under the various sections of the competition including

- the built environment
- overall development approach
- wildlife and natural amenities
- tidiness
- residential areas, roads, streets and back areas and
- presentation of the village as integrated centre

Carrigtwohill is a rapidly expanding village which has had the advantage of being by-passed; however the initial impression that one gets of the village is that it has not benefited in environmental terms to any significant extent from this development. The Community Council recognises the opportunity that there is to look at the existing situation, to try and harness the goodwill, skills and experience of a number of different people and agencies to create a village that will offer a sense of pride in its visual environment to its residents.

A small group of people have volunteered to work towards this aim and have drawn up a structured plan which it is hoped will be implemented in the first year of the competition.

## Village Theme - 'Stone'

A village theme of "Stone" has been agreed and this is highly appropriate considering the history of quarrying in the area. As part of the thematic approach a stone has already been positioned in the Tullagreen green which it is proposed to clean and include some information to explain briefly the townlands in Carrigtwohill.

The first year will also tackle some initial kerbside weed cleaning and general cleaning up of signage in the village as well as implementing a planting programme.

## Litter

The issue of litter control has been a source of great concern to the committee and the importance of developing a litter control plan for the village cannot be overstated. Litter control is not just an issue for the local authority and all citizens have a key role to play. To this end a "litter collection morning" was organised on 2 Saturdays, on 22 April and 06 May. This was done as part of the "An Taisce" Spring Litter Clean up and with the support of Cork County Council in the form of providing gloves, litter

## Monthly Litter Collection

Following on the success of the Spring Litter Collection, the Tidy Towns Committee is eager to start a programme of litter collection on a monthly basis and **the first Saturday of every month** has been agreed as the most suitable date.

The format of the collection is that residents on roadways are asked to join together to collect the litter on their own road.

In addition village residents can meet at the Community Hall on the first Saturday of the month where a programme for collection will be made out and bags and gloves will be provided. Bags of roadside litter collected can be either dropped to the Community Hall or left on the roadside for collection. To have them collected, please telephone 087-8509213 on the Saturday morning when a trailer will be available for this purpose.

**Next Litter Collection Day - July 1st at 1100**

pickers and waste disposal bags. The Council also undertook to collect the litter and take it to the dump.

The response was overwhelming and the amount of litter collected was incredible.

## Volunteers Wanted

The Tidy Towns Committee is formed of a very small number of people and new members are invited to join with us. The commitment in terms of time should be no more than 1/2 hours a week on a Tuesday night from 7.45 to 9pm or whatever time you have available.

The work involved is manual but not intense or too demanding and volunteers can work at their own pace.

If you would like to be a part of this group, please contact **Eileen at 086-8337684 or Oliver at 087-8509213 or the Hall Manager at 021-4882265.**

The control of litter in the Carrigtwohill area is extremely urgent and it is in the interests of all residents that something is done to respond to this problem. Please get together to solve this problem. If you need to discuss the proposal with any member of the Tidy Towns Committee, contact the telephone numbers listed above.

# St. Mary's Boys National School 50th Anniversary Celebrations

## Sunday June 11th, 2006

Mr. Michael Ahern T.D. Minister for Trade & Commerce; Mons. Denis Reidy P.P.; Dan Leo N.T., School Principal; Canon Bertie Troy; Bishop John McGee; Patricia O'Brien.

St. Mary's Boys National School, Carrigtwohill was built in 1956 and to mark 50th anniversary a full day of celebrations was held on Sunday June 11th.

The commemoration began with 1230 Mass at the local St. Mary's Church.

Activities at the school commenced at 1.30 where a comprehensive array of old photographs and roll books were on display.

Bishop John McGee blessed the school and offered prayers for both the present and past pupils. He planted an oak tree in the school grounds to mark the occasion.

Entertainment in the school yard included a very entertaining rap dance by the boys of first class, highlighting the joys of school, and directed by their teacher Brid Keane.

A group of past pupils got together and entertained with a selection of rock/pop music.

Light refreshments were provided in the assembly hall by the parents of the children attending the school.

A family fun day, provided by Active Leisure, was held in the GAA field for the younger and more energetic pupils and include Bouncing Castles, Obstacle courses, Sumo wrestling, play area, face painting, and many more activities. Sincere thanks to the GAA Club for the use of their facilities.

The 96FM Fleet on the Street also attended in the GAA Field and added much to the atmosphere.

Everybody was impressed by the outstanding display of old photographs and happy memories were brought back to many visitors.

The obvious amount of work that was put in to the preparations for the day was very obvious and was greatly appreciated by the large number of people who attended.

# St. Mary's Boys National School 50th Anniversary

(Continued from page 12)

## Function at Park Hotel

The days celebrations concluded with a gathering at the Park Hotel in Midleton where fine food and excellent music by Fergal Doody made for a very entertaining evening.

Michael Cummins and Gerard Horgan, both past pupils of St. Marys went on stage and entertained the large crowd with some rousing music.

There were lots of spot prizes available and thanks to all who provided them.

## History

For the school year 1956/57 there were 91 boys enrolled. There are now over 200 boys attending with the number going to escalate in the next few years with the population explosion in Carrigtwohill.

The school has been added to a number of times, the original floor space was only 1218 sq ft. made up of three rooms. Smaller than an average house now!

It has served the community well over the past fifty years, but has seen many changes. The old bike shed that some of you will remember is no longer there, the shoe scraper is still at the front door for the boys to clean their boots on the way into school, though it probably does not get used too much now.

The school has gone from three teachers to twelve.

Nearly 1,500 boys have passed through the doors since 1956.

The active committee who organised the celebrations are still looking for photos, stories of your school days, school books, or indeed anything you might feel would be of interest.

They are at present compiling information for a commemorative book which will be available later in the year.

If you have anything to contribute please contact Joan Scully at 087-1263716 or 4882094.

## Carrigtwohill Fair Day 20th August 2006.

The Fair Day will open with a piper and a vintage steam engine parading through the village.

The local business's of Carrigtwohill will be displaying their products at stalls on the main street of the village, with samples for all to taste and admire.

We wish to encourage all who will be attending and taking part in the Fair Day to dress up in the style of days gone by to ensure that this will be a Fair Day to remember.

Features of the day will include vintage display, music, dancing, activities for all the family and the ritual roasting of the Pig.

We look forward to seeing all members of the community on the day.

## East Cork Employment Supports Programme

East Cork Area Development launched its 'Employment Services One to One Supports Programme Open day' at the East Cork Area Developments office in Knockgriffin in Middleton on Monday 19<sup>th</sup> of June.

The service will provide free one to one support to individuals who are looking for advice or information on returning to the workforce/training, including career guidance/direction, CV preparation/ updating along with interview skills and techniques.

A 'Jobs Board' will also be on hand listing all the current vacancies where people can browse at their leisure.

The Employment Services One to One Supports Programme, which is currently being delivered through 'Cumann Na Daoine', Youghals Community Development Project, has been a great success and it is hoped that the service will accommodate the needs of communities throughout East Cork in the future.

The Middleton Service will commence full time in September and will run for one day per week and people can book an appointment to see Cora O' Donnell, the supports facilitator, who has over 20 years experience in Employment Support. The service is free to all in East Cork and confidentiality is assured.

If you require any further information please contact Jennifer Heffernan, East Cork Area Development 021-4613432.

# Carrigtwohill United AFC

The club was reformed in 2001, with the aim of establishing a strong and lasting soccer club within Carrigtwohill. Since then the club has steadily grown to a position where they now have 2 adult teams, playing in AUL Div 1B and AUL Div 3B and also 3 schoolboys teams at U-10, U-11 and U-12 competing in the Cork Schoolboys leagues.

## History

The club was originally formed in the early 80s and for several years was very successful. The best year being 1984 when the club won both the AUL Div 3 league and the Saxone Cup. Carrig also finished runner-up in the County Cup that year. The next year brought a second place finish in the AUL Div 2 league. Sometime later the club was disbanded for a few years until it reformed in the early 90's and went on to finish second in AUL Div 3B in 1993. It fell away again until the present incarnation was setup.

## Recent Times

Reformed in early 2001, the club had instant success. In the first year Carrig won AUL Division 3B under the management of John McCann. The next year promotion to Division 1 was achieved with a second place finish in the Div 2B league. The club then began setting up its schoolboy section with under-10's and under-11 teams. Also for the 2005-06 season, Carrig entered a 2<sup>nd</sup> adult side into the AUL Div 3B league.

## This Season

### AUL 1B

The club's senior AUL team challenged for the title this year in AUL 1B, but some poor results late on means they now have to settle for a mid-table position. Under the management of Jimmy Nolan, they have improved on last season's finish and will look to build again for next season.

### AUL 3B

The first season for the 2<sup>nd</sup> team in AUL 3B was been eventful with some very good results. With Brian Nolan filling the difficult dual role of player/manager, Carrig have had a good season overall and should finish in the top 6. The ability and skill is there for this team to progress next season.

### U-12

Aidan Long and Micheal O'Keeffe look after the club's under 12's. They did very well in Division 3 of the Cork Schoolboy's League, finishing third place and will be playing U-13 Div 2 next year.

### U-11

John McCann and Barry O'Sullivan managed the under 11's in Division 4 of Cork Schoolboy's League. They also had a good season and finished 3rd in their league. After winning promotion they will be playing in the U-12 Div 3 next year.

### U-10

# ***Carrigtwohill Community Games***

Community Games, an independent organisation operating through the local community, provides opportunities for children and young people to experience a wide range of sporting and cultural activities before concentrating on and specialising in those most suitable and attractive to them.

Community Games is a countrywide movement – non-political and non-sectarian – which operates at four levels (1) Area (2) County (3) Provincial and (4) National. It caters for children whose ages range from 8 to 16 years, in an annual programme which has 33 different types of sporting and cultural activities.

Adult members of the community are involved in Community Games through their role in organising these activities for young people. This participation can provide great personal satisfaction and enjoyment through the effects on their children. The social aspect is also very important; many adults have found the Community Games an ideal way of meeting and making new friends.

## **History**

The Community Games idea first came to prominence in Walkinstown, Dublin in 1967, when Joe Connolly mobilised a handful of adults who then came together and formed a committee to deal with the problems of lack of leisure-time activities for young people. The first Dublin Finals took place in August 1968, at John F Kennedy Stadium, Santry, when 3,000 young people from 24 community areas participated.

The interest in the games grew substantially in the following years and the movement has now spread through the country catering for half a million young people in 800 communities throughout the 32 counties.

Community Games have been part of the fabric of the sporting culture in Carrigtwohill for many years and several people from the parish have represented us at the National Finals over the years. The games were revived in Carrigtwohill in 1990 and have gone from strength to strength through the years.

A committee was formed back in 1990 to co-ordinate and administer the games. The committee of 3 people namely; Billy Power – Chairman, Anna Fitzgerald – Treasurer and Catherine Ryan – Secretary have kept the games active in the community through the years.

## **Looking back the years .....**

Community Games has been a series of highs and lows, heartache to euphoria for all concerned down the years. We started off from very humble beginnings with absolutely no money whatsoever and we looked to other clubs in the community to help us raise the registration fees for the first few years. Our Church Gate Collection was our only means of income and yet we survived and got our competitors to Mosney each year.

In the early years Cross-Country was to the fore in the athletics area and we always had a team participating at the finals in Mosney each May; names like Steven Dineen, Fergus Meade, Seán Flannery, Barrie O'Rourke and Michael O'Riordan come to mind.

Likewise, juvenile badminton in East Cork was very strong and we struggled for many years just to get out of the East Cork

division, when we finally cracked it in **1996** we went all the way through county, Munster and on to the National Finals where we took bronze medals.

The team that year were Marie Kennedy, Caroline Divine, Avril Buckley, Helen Fitzgerald, Niall McCarthy, Jamie O'Rourke & Noel Furlong.

In the same year (1996), we had big numbers representing us in athletics, Mera O'Connor in the U-10 Hurdles {this was a year of heartache for Mera and for all of us who cheered her on – just with the finish line and the Gold medals in her sights, tragedy struck – her foot went into a hole and the rest is history}

A mixed U-15 relay team of Sheila Buckley, Niamh O'Riordan, Sinead Collins, Jamie O'Rourke & Barry O'Brien, reached the semi finals, while Brendan Ryan was part of the Cork U-17 marathon team to take 4<sup>th</sup> place overall.

We also had Jonathan O'Shea compete in the U-14 Hurdles and James McCarthy in the U-12 600m. Craig Horgan did us proud in the final of the long puck and Kieran Deady competed in the Art competition.

## **2000 The Millennium**

The millenium year is another year that stands out as one of the greats in Community Games, as each of our contestants who travelled to the National Finals came home with a medal or a national certificate, not an easy task.

In the Art competition, Anthony O'Reilly won the National Certificate and his brother Brian was in 5<sup>th</sup> place out of the 32 counties. Our U-15 Mixed Relay Team of Matthew Foley, Fiona Santry, Liam O'Brien and Orlaith McSweeney, Cian Le-hane and Róisín Buckley took Bronze Medals in the finals, also at U-8 60m Brendan Akamnonu took Gold and Cian Buckley took the National Certificate in the U-8 80m, while in the U-17 Boys Marathon, Steven Dineen was part of the Cork team to take the Gold Medal position.

## **2005 - The years of the Teams**

2005 was a very busy year and most successful year for all concerned in Carrigtwohill Community Games. Overall we had over 400 children from the parish compete in the various activities. Some competed at local level, others at county while some when on to represent us at Munster and National level.

We won a total of 144 County Medals: - 79 Gold, 36 Silver, 29 Bronze and 1 Shield.

We had 10 teams competing at County level this year, with 5 of these going on to represent us at the Munster Finals; here we won 1 Munster Shields and 47 Munster Certificates.

30 Children from the parish represented us at the National Finals in Mosney where we won 11 Gold, 1 Bronze and 1 National Certificate. Carrigtwohill Community Games were also presented recently with a National Area Award for 2005.

## **Report from the National Finals at Mosney 2005.**

On the first weekend all our participants arrived in Mosney, Co. Meath in time for the customary opening ceremony.

Early on the Saturday our artist and rounders team were in action. Artist, Brian O'Reilly his parents and his brother Anthony

who have been travelling to Mosney for the past 8 years were delighted with the company of the other artists who qualified this year namely, Laura Barry, Patrick Deane and Elaine Deane. The artists got settled and word was filtering through that choices were to say the least very testing, it sounded like a lousy Leaving Cert. paper.

Nevertheless, all the artist put in a terrific effort and can be well pleased with their performance. When eventually the results were announced, all the hard work had paid dividends, with Brian O'Reilly being awarded 3<sup>rd</sup> place and an All Ireland Bronze medal. Thankfully this year there were no appeals !!! We all revelled in his achievement. Well done.

## U-13 Rounders All Ireland Champions

Meanwhile, over in the Sports Field, our U-13 Rounders team, were making their mark as they took on Laois in the first semi-final. There was some excellent pitching and fielding and back stopping from the team, and they began to clock up a fine score.

And with two innings remaining, Laois were given the option to bat on but they were unable to claw back the great lead that Carrigtwohill had taken. There were great scenes of jubilation from both players and the Carrigtwohill supporters who had all travelled up the long journey to support the girls. What a magnificent start to our first day of competition.

We awoke early on Sunday morning to another day of beautiful sunshine and headed for the sports field for the National Finals of the U-13 Rounders. We had had seen Castlebar of Mayo who had beaten Cavan the previous day and now they were our opponents in the All Ireland Final. This was a tall order by any standards as Castlebar, Mayo had been unbeaten in rounders for many years. This did not deter our girls and from the outset, they showed great determination and put in a tremendous display and there was little between the teams at the end of the 2<sup>nd</sup> innings.

Mayo pulled away in the next inning and when we were all out in the 3<sup>rd</sup> innings without even a single score and it looked like we were "*dead and buried*" But a very young and focused Carrigtwohill side stole a march on them and stayed calm and pulled us back on level terms and went into a considerable lead at the end of the 4<sup>th</sup> innings.

As Mayo came out to play their final innings, some of us prayed some were afraid to watch and others could be heard back in Carrigtwohill cheering the efforts of a great team. Mayo fought hard but in the "*blink of an eye*" we got three out. And so, with one inning left to play Carrigtwohill of Cork were declared All Ireland Champions. Miracles do happen.

The panel was:

Tracey Horgan, Donna Looney, Emma Kidney, Laura O'Sullivan, Sinead O'Leary, Marie O'Donovan, Kira Watkinson, Jessica Reardon, Gena O'Connor, Michelle O'Sullivan, Emma Hickey.

Congratulations and well done to all involved with the team.

## Athletics

After a hugely successful 1<sup>st</sup> weekend at the Community Games National Finals, Mosney beckoned our athletes for the 2<sup>nd</sup> weekend of competition. Here our young competitors would be taking part against the best in the country.

It was an early start for all concerned Saturday morning as the relays were on the track for 9.00a.m. Our U-14 Girl Relay

Team of Maria Corry, Siobhan Crotty, Alex Jenkinson Butler and Tracey Horgan finished in 5<sup>th</sup> place just outside of the qualifying place for the semi finals. The U-16 relay team of Aine Crotty, Maria Carey, Jennifer McCarthy, and Claire O'Sullivan were well in the race and about to qualify when disaster struck and one of the girls fell just before the finish line.

In the individual events, Robyn Jenkinson Butler was competing in the Girls U-10 100m and what a splendid performance from Robyn, she powered home in her heat and was now through to the semi-finals on Sunday. Again in her semi final she came through in flying colours and went on to the final proper on Sunday afternoon to take 4<sup>th</sup> place and the National Certificate. Well done Robyn.

Meanwhile, in the field events Tanya Yeriskin was competing in the Long Jump, Aine Crotty in the Javelin and Andrea Buttimer in the U-12 Ball Throw. Each of them put in a terrific effort and can be well pleased with their performance.

All 32 counties then took part in the Closing Ceremony; each county marching past the reviewing stand displaying their medals and Certificates. The C.M.P. Cork Community Games Parade was lead out was lead out in great style.

There is always a prize for the best turned out and best behaved County and this year 2FM Trophy for the best County went once again to Cork Community Games. (Surprise ! Surprise!).

For Carrigtwohill Community Games it was history in the making with our first team to win All Ireland Gold.

What the children achieved is mind-boggling when you consider that over half a million children had competed in these games at local, county, provincial and national level.

To our competitors, we say congratulations on a magnificent performance; you did yourselves, your county, your parish and your parents proud.

To all coaches, trainers and supervisors who were involved with the children during the year, we say very well done on a job brilliantly executed, thanks for all the hard work, time and dedication.

To all who travelled the long journey to Mosney to support us over the two weekends, thanks a million.

***Finally, to all the children who did not make it to Mosney, we say thank you in particular, without your participation there would be no Community Games.***

## Community Games 2006

The results of competitions held to date are on the following two pages.

All those who qualified in the athletics (1<sup>st</sup> and 2<sup>nd</sup> except fun relays) will now go forward to the County Finals, which are being held at the **CIT Track, Bishopstown on Saturday 17<sup>th</sup> June**,

We will have all the details in the next issue.

Well done to all who competed on the night and our sincere thanks to everyone who helped us in any way with the running of the event.

## ***Community Games Art Competition 2006***

The local Art competition was run off with the help of both primary schools. There was a huge entry this year with very high standards in each age group, so much so that we had to award extra prizes.

We wish to thank Cork Artist, Mary O'Shea for her assistance in judging the competition for us again this year.

Thanks to all the children who entered and congratulations to the medal winners. They were as follows: -

## ***Community Games Indoor Soccer 2006***

Carrigtwohill started off the season on a Winning Streak with both the U13 & U15 Boys claiming the top honours in the Indoor Soccer at the County Finals.

On Saturday 11<sup>th</sup> March '06 our U13 and U15 Boys were competing in the County Finals of the Indoor Soccer at St. Anthony's Hall, Ballinlough.

### **U-13 County Champions**

The U13 Boys were drawn against Ballinlough South in their first game. This was a close encounter with both sides evenly matched. All the boys played brilliantly with some fine individual displays to see them come through worthy winners on a score of 2-0.

Their next game was against Ballinlough North and again, there was a tremendous performance from all concerned with Carrigtwohill coming through comprehensive winners on a

score of 9 – 1 on the final whistle.

They were deemed Gold Medal winners, and earned a place in the Munster Finals.

The panel was as follows: -

Daniel Kelleher, Jack Barden, John Carey, Aaron Gosnell, Andrew Long, Shaun Casey, Alan Goggin.

### **U-15 County Champions**

Our U15 Boys were disappointed to learn that they had no opposition and gratefully accepted their trophy and like the U13 Boys are all set to continue their training in preparation for the Munster Finals in July.

We wish them all the very best of luck.

Boys U15 Panel as follows: -

Patrick Deane, Jason Leahy, Colm Cronin, Cian Buckley, Jamie Buttimer, Mateusz Beczek, Kevin O'Sullivan
